

HUTT VALLEY HIGH SCHOOL UNIFORM SHOE REQUIREMENTS

Acceptable Boys Shoes

You do not have to select these exact styles; they are merely a GUIDE of acceptable shoes for boys.

Unacceptable Boys Shoes

3Not acceptable because they are textured leather, have stitching that is not black, or are sports styles.

There has been some confusion of late about which shoes are acceptable for boys to wear to school. It is very important to note that *Vans* and *Globes* are NOT acceptable footwear at Hutt Valley High School. *Globes* and *Vans* are classed as casual shoes whereas the solid leather shoe is a more formal shoe suitable for more formal dress.

Acceptable Girls Shoes (Summer Months Only)

Acceptable Girls Shoes (Year Round)

You do not have to select these exact styles; they are merely a GUIDE of acceptable shoes for girls.

Unacceptable Girls Shoes

Not acceptable because they are either patent leather, elasticated (not smooth) or have no back heel support.

Any questions regarding the uniform should be directed to Mrs Mary Hart in the Resource Centre.
