**Tactile Board:** Heather Lear is organising a revamp of the tactile board. She is planning a New Zealand theme with a contour map of New Zealand as the main feature surrounded by things associated with different areas of the country. Any donation of Kiwiana objects such as sheep, little Buzzy Bees, a small gumboot, toy kiwis and flags would be gratefully received.

**Football:** The A team played Newlands 1 in round 5 of the AWD Indoor Football tournament. Both teams played well but our team was soundly beaten with a score of 22 to 7. This is the A team's first defeat in this tournament. The gloom at losing was not helped by finding that the van had a flat battery and the group had to wait an hour for help to arrive before they could get back to school.

The B team had a bye.

**WEARABLE ART:**

9RP visited and we had a wearable art competition – here we are all dressed in our finest!

**PUPPIES:**

Anne Stephenson-Piper brought her puppies into the Library to show us while she read stories to us. We were allowed to pat the puppies.
