**Newsletter online:** A reminder that the LSU newsletter can be found on the LSU page  
of the school website: [www.hvhs.school.nz](http://www.hvhs.school.nz)

**Football:** **Team 1** played Wainuomata High School and unfortunately we lost 12-8. However the team played well and Matthew was player of the day.

**Team 2** played Rongotai College and the score was a draw. Ofa made some great saves in goal in the first half and Duncan (supported by Pam) had a great second half in goal.

Next week is the last game for 2011 and we will know our final placings. We don't know what times we are playing yet as this depends on where we finished after today's game.

We have arranged to have a game of Ten Pin after next week's game as an end to the season. Details of this will be advised later.
