## *Student of the Week*

**Crystal Reynolds for her efforts in organising the Dragon Ball Z event.**

**Fluro Vests:** The LSU have a number of fluro vests which are worn by students on work experience. Over the last few days four of these vests have disappeared. Could you please return any vests which may have been taken home.

**Congratulations:** to Zachary, Ben, Lewis, Madison, Samuel, Ben and Jevan who have successfully completed and gain credits for the NZQA module on Travel on a Bus.

**Farewell** to Kristel Bunkel who has transitioned fulltime to an IDEA Service Community Programme after declaring herself too old to be at school. Her departure has some repercussions for staffing and we will lose some teacher and TA hours.

**Football: A BIG WELL DONE!!** To all the Indoor Football team members - Team A fought valiantly against a superior Newlands College team losing 22-7 and ending up 2nd in the division. All played very well. John saved us from it being a lot worse with some excellent saves in goal while all the rest gave 100% on attack and defence.

Team B also played really well but also lost in their game against Mahinawa 10-3 to come 4th in their division. It was a better score than when they last played against them. While all had lifted their game, Zachary was man of the match.

In the special treat 10 Pin Bowling that followed all managed at least one Spare and many managing a Strike. Jevan top scored, including 4 Strikes in his 109 points, with Matthew coming 2nd on 101, Jarrod 3rd on 97 and 4 others in the 90's. Well Done!!

Coming up next term is Basketball, 10 Pin Bowling, a multi sport day trip to Palmerston North, and also Indoor Bowls later in the term. So keep fit!

Thanks should also go to the support staff of Rosemary Beeby, Howard Barker, Pam Bunney and Kathy Tausili.

**Gene Day:** Thanks to the generosity of many mainstream staff who contributed to a fund to allow LSU students to bid at the Genie auction held last week at school. Crystal Reynolds and her support team were able to purchase the services of the Dragonball Z team. This group of five boys came over (in costume) on Friday. They helped with Art, organised the BBQ at lunchtime and joined in a party with the world's biggest pass the parcel. It proved a very happy way to end the week. Big thanks to Megan Bray who organised it all for us.
