1 February

***BREAK UP FOR THE YEAR***  
First day back for students

**Swimming lessons;** Our swimming lesson last Monday was very successful. Please remind your child to bring their togs on Monday and make the most of the opportunity to learn from a fully trained swimming instructor. Swimming lessons will continue for the first three weeks of next term.

**Sailability:** Fifteen students were able to enjoy a short sailing experience on Tuesday. Although a few needed coaxing to get into the boat they all came out smiling and very positive about the experience. It may be worth noting that for a small annual fee (\$73.00) people are able to book a boat and a support person, through Sailability Wellington, to take them out for a sail as often as they wish.

**Ball:** Last Saturday a group of students attended "The Ball for All" at the Silverstream Retreat. As you can see from the photos they all had a wonderful evening.

**Concert and Awards Evening:** Our concert this year had to be one of the best. All the hard work that the staff, particularly Heather Lear, and students put into the performance paid off and everything really came together well.

**Assessment forms:** All families should have received either through the home book or by post, a form asking for their opinion of how well the LSU has met the needs of the students in 2011. It would be appreciated if these forms could be completed and returned to Karen Kennedy by next Wednesday.

**SATURDAY NIGHT** and o what a night!!!!
