A group of Hutt Valley scientists with the support of Hutt Valley High School and other local high schools are starting the Science Focus Club to give you extra help in physics and maths. The club will include a brief science demonstration or a talk from visiting scientists followed by tutoring for NCEA level 3. If you are interested (even slightly) come check us out. But please let your parents/caregivers know you are coming. If you decide to come regularly we will need you to get them to sign the permission slip below.
