**It is your responsibility to hand this entry form to Mr Larkin by Friday 7<sup>th</sup> July**

Complete the following:

2. Complete this form for the subject(s) you wish to enter
  - a. Discuss the scholarship option with your teacher or subject HOD
  - b. Get your subject teacher's or HOD's signature
  - c. Hand completed form into Mr Larkin by Friday 7<sup>th</sup> July

**It costs \$30 for each Scholarship Exam you enter, unless you have completed a Financial Assistance Form. If you do more than 3 subjects, the school will pay for the additional subjects. Eg. School will pay for the 4th, 5th, 6th scholarship exam (\$30 each).**

Make your decision carefully, you are expected to attend any tutorials offered at school.

If you decide to withdraw from the scholarship exam(s), the final deadline is Friday 25<sup>st</sup> August.

You will need to contact Mr Larkin so you are removed from the scholarship exam. Failure to do this means you will still have to pay the \$30 entry fee for each scholarship exam you were to sit. If you do not sit the exam on the day you still have to pay the \$30. Failure to pay the fee and not withdraw incurs an additional \$50 fee.

***Your Level 3 or Scholarship grades will NOT be released if you have outstanding Scholarship or NCEA fees.***

Each scholarship exam for International Students will cost \$102.20.
